Last winter, January through March 1981, remember Midterm, turn-about, basketball playoffs? But also recall Ronald Reagan's inauguration and the nation decorated with yellow ribbons as we welcomed the American hostages home from their Iranian ordeal. While the class of '82 sweated SAT's and ACT's, the world gave us a nightmare of killings in Atlanta, the trial of Mao Tse Tung's widow and the gang of four, and Ruth Love as Chicago's new school superintendent. Superbowl XV pitted the Philadelphia Eagles against the Oakland Raiders, Britain's Prince Charles announced his engagement to Lady Diana Spencer, and Walter Cronkite told us "the way it was" for the last time. A winter of budget cuts, "Reagan Red," El Salvador and a new TV show "Hill Street Blues" was chased by loyal fans through prime-time-slotland.

April through June baseball, boys' tennis, and track seasons, the 50's sockhop, graduation parties, final exams filled our thoughts while Jane Byrne moved from the Gold Coast to Cabrini Green. A nation, horrified by a troubled young man's attempt on the President's life, increased protests for and against handgun control. Finishing homework during commercials, we saw Oscars awarded to Sissy Spacek, Robert DeNiro, and the film ORDINARY PEOPLE, and got up early to see Space Shuttle Columbia launched. Adding fuel to the handgun fire was the assassination attempt on Pope John Paul II. "It's like shooting God" was the stunned global reaction. As France's national elections brought Socialist Francois Mitterand to power, Bobby Sands and other hunger strikers made their supreme sacrifice for patriotism. A White Sox winning streak ended with a baseball strike and CTA/RTA problems kept us off the trains downtown as public transportation prices soared. Defense buildups and tax cuts captured the nation's attention when the President's bickering advisors didn't. Joe Louis' death was mourned and Israel's increasing belligerence caused anxiety.

July through September, the sum-

mer of '81. While we relished our release, manned summer jobs, and devoted free hours to heavy tanning action, Sandra Day O'Connor became the first woman Supreme Court Justice. In Britain, Americans John McEnroe and Chris Evert-Lloyd triumphed at Wimbledon, as riots subsided in London, leaving the nation free to prepare for the wedding of the century. Here at home, groaning as the alarm went off at 3 a.m., we dragged ourselves out of bed to be video witnesses to the marriage of Charles and Lady Di. President Reagan's tax cuts were approved while striking Air Traffic Controllers were fired by the thousands. The end of the baseball strike carried with it the notion of "split season" and Sugar Ray Leonard defeated Tommy Hearns. As anti-nuclear protests in Western Europe and Soviet tanks in Eastern Europe rumbled louder, we made the summer profitable for Hollywood, flocking to see the likes of RAIDERS OF THE LOST ARK, SUPERMAN II, and STRIPES. Chicagofest and scandal involving Cardinal Cody's alleged diversion of church funds to a "friend" preceded our return to school, football games, and sockhops.

October through December, as we turned to Homecoming, football playoffs, and Christmas Drive, the nation turned to AWACS sales and Mid East turmoils. For us, the Rolling Stones U.S. tour eclipsed reports of huge budget deficits facing Washington. The Los Angeles Dodgers defeated the New York Yankees in the World Series while the Federal Government diverted our attention with rumors of elusive Libyan hit squads. Ronald Reagan talked of "winning" limited nuclear war and attended the International Summit at Cancun on Third World Poverty. Wayne Williams went on trial for the Atlanta murders, and Richard Allen, President Reagan's National Security Advisor resigned over scandals involving his acceptance of "gifts". In contrast to ON GOLDEN POND we pictured the honors of General Jaruzelski's martial law in Poland. The governors race between incum-

Administration

In his 18th year as principal of the Academy, Father Ronald Rigovsky, O.S.B. continued to lead the faculty and administration by setting annual goals and objectives for the Benet community.

Father Ron has traditionally stimulated a family atmosphere by announcing a theme or slogan which spurs on an enthusiastic response at religious, social, and athletic activities.

On a regular basis Father Ron meets formally and informally to discuss, encourage, and communicate with faculty and staff members. His presence and support is evident at all religious and sports events, drama and music productions, assemblies and award presentations.

Ably assisting Father Ron in his duties as Assistant Principal is Fr. Hugh Anderson, O.S.B. Father Hugh helps in the daily operation of the academic program at Benet, student admissions, the maintaining of academic records, and the coordination of faculty assignments in cooperation with the department chairmen.

As Business Manager, Fr. Dismas Kalcic, O.S.B. is responsible for conducting the financial and business affairs of the Academy.

The important task of assigning and guiding the monks and sisters to staff and to teach at Benet Academy rests in the hands of the Rt. Rev. Valentine Skluzacek, O.S.B., Chancellor of the Academy and Abbot of St. Procopius Abbey, and Sister Charlotte Vesely, O.S.B., Prioress of Sacred Heart Convent.

Counselors and Deans play an important role in each student's life at Benet Academy. They aid all students willing to make an effort. The counselors run the guidance library, prepare students for PSAT, SAT, and ACT tests; they assist students with their choice of college.

The Dean of students, Mr. James Brown, with assistants, Mrs. Sheila Jacklich, and Brother Edward, continue to maintain and stress codes of discipline and learning. They aid in running the school smoothly and efficiently. Their jobs involve not only the students, but extend to the parents of the students and faculty members as well.

Staff Serves Benet

No institution can run smoothly without the assistance of staff members. The Secretaries, Maintenance staff, and Kitchen staff provide the everyday functions of the Academy. Working all year round, the secretarial staff makes communication between departments possible. The physical

appearance of the buildings is maintained by a staff of men and women who serve as engineers, plumbers, electricians, and carpenters. Everyday the ladies of the kitchen staff prepare and serve lunch for hundreds of hungry students.

Sports

The 1981 Varsity Baseball team, consisting of 8 juniors and 8 seniors had a fine season which saw them travel from a first place victory in the Granite City South Tournament to their final game against Glenbard South in second round regional action. Lead by captains Brett Skonicki, Tom Shanley, and Jim Kapla and coached by Mr. Wiora and Fr.

Ken, this fine group of young men won the first regional game against Downers Grove South before dropping to Glenbard.

Outstanding team members included Jim Karafiat, Mike Keough, Steve Baker, both named to all conference. Kapla and Skonicki were also honored when they were named to all-area, while Kapla was named

the Redwing's most valuable player. Special consideration goes to Dan Lifka for his 3 homeruns and Brett Skonicki for his fine pitching, which included 2 no-hitters. Coach Wiora seemed pleased with his team's performance for the season and looks forward to working with the veteran players again this year.

Now that the former members of the Sophomore Baseball Team are upper classmen, they can still look back on their season with pride. Mr. Nagis led this fine group of baseball players to an overall record of 21-4. This is the best overall record that has been set during Mr. Nagis' years of coaching the Sophomore Baseball Team. Their Conference record was a devastating 14-0 with Driscoll being the only team that posed any problem.

The Freshmen Baseball Team was once again victorious. The team concluded this past season with an 11-5 record under the supervision of Coach Alvarez.

The leading hitter of this tremendous team was Joe Kasko with an awesome average of .537. Others who contributed to this hitting powerhouse included Dan DeCarlo, Leo Demm, Andy Kerwin and Bob Sumeski. The two leading pitchers were Tim Strange with a record of 5-0 and Dan DeCarlo with a record of 3-2, and with a no-hitter credited to his name.

Rick Green and Jeff Nealons at second doubles and Mike Greene at third singles were runners up. Varsity Third in Conference

The Benet Varsity Track Team finished third in the conference behind St. Francis and Montini. Although strong in the relays and field events, the Redwings could not catch St. Francis' blazing sprinters.

The 3200m. relay team of John Madden, Jim Eraci, Bob DeChene and Dan Gracious set a school record at the conference meet while the 1600m. relay team won as well.

Individual winners included Matt Camden in the shot put, Dan Gracious in the 800m. run, and Doug Drabik in the 400m. run. Other runners include Bob Cahoon (4th in the 120m. high hurdles), Mike Sakach (5th in the 3200m. run), and Scott Sanderson (second in the high jump). Under the guidance of Mr. Fedinee and Mr. Stark, the Redwings hope to regain the title.

The coaches are especially optimistic after last year's successful frosh-soph team.

Under the coaching of Mr. Fedinec and Mr. Stark, the Benet frosh-soph track team regained the conference crown at Marmion last May. Don Drabik dominated the hurdles to win two blue ribbons. Justin Hlavin won both the high and triple jumps. Other point scorers included John Wiesinger (second in the long and triple jumps) John O'Fallon (second in the two mile), Mark Boss (third in the 400m. run), and the second place 3200m. relay team.

A strong crop of sophomores is Benet's hope if the Varsity is to regain the conference championship next season.

The team finished first place in conference above the tough I.C. Knights. Jane Sachetti also qualified to compete in the Class AA state meet and placed 24th in the 400m dash. The team's success may, in part, be due to its attempt to bring unity through a team retreat and other various activities besides practice. The team not only knows how to run, jump, and throw, but also how to "celebrate the good times!"

Another season is past for the Benet Redwing Cross Country Team. This year's Varsity squad got off to a promising start by immediately capturing three straight non-conference victories. After two losses, the team, with the assistance of their two coaches, Mr. Fedinec and Mr. Stark, were able to pull their pack together in order to capture six of the next seven dual meets finishing with a record of 5-1 in conference meets and 9-5 overall.

The Frosh-Soph runners displayed their running ability in a very successful season. After getting off to a slow start with one victory out of the first five non-conference duals, the young harriers were able to pull their pack together in order to come back triumphantly with a 6-0 conference record.

One of the main highlights of the year's cross-country season was the success of the girls' team. After winding up the season with a 4-3 overall record, the lady harriers moved into the District competition, capturing 4th place and qualifying for the sectionals.

Redwings Top Season Off With Semi-Final Appearance

Despite their 9-3 record, the 1981 Varsity Football Team will go down in the record book as the first Benet football team to reach the semi-finals. Under the guidance of head coach Tim Cederblad and assistants Gary Goforth and Denis Moran, the Redwings posted a 5-1 conference record. Benet lost the final conference game to I.C. in overtime 6-0, causing a three way tie for the title. However, the Redwings earned the playoff berth.

The Redwings opened the 4A playoffs against undefeated Ridgewood, and Benet chalked up an impressive 23-13 victory. Then, Benet blew by Rich South 24-0. This victory marked the first time any Benet football team has made the semi-finals. But Benet's championship dream was halted by the eventual state champs Wheaton North in a hard fought 7-0 game.

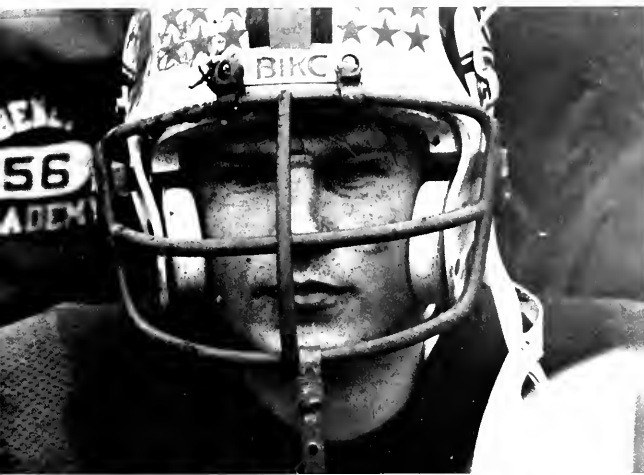

The Redwings placed seven men on the All-WSCC team: Pete Schaub, Steve Hubona, John Lupori, Tom Marth, Steve Camburn, Tim Strange, and Rich Baumgartner. It was an exciting season for the players and the fans.

Although ending with a somewhat disappointing season record of 4-5, the Frosh Football Team concluded the season showing improvement in all areas of defense and offense. The team pulled together under Coaches Brown, Stracco, and Boyer to win two out of the three last conference games. An exciting game against the conference champions had the Benet Redwings fighting for a last minute extra point. With a bit more experience, the Freshmen Football Team should come back as a talented Sophomore team.

The 1981 tennis season was supposed to be a rebuilding year for the girls' team. Yet the varsity Redwings coached by Stephanie Lewis finished an outstanding season winning the Naperville Central Invitational, capturing both the WSCC championship and the Wheaton Warrenville district title, as well as placing eighteenth in state competition.

The frosh/soph netters won the conference championship and took two individual championships titles: Meg Sullivan at first singles and Hon-or McDonnel/Michelle Leoatti at first doubles.

At the conference meet, Varsity took all five individual championships. (Freshman) Robin Kramer, (senior) Mary McDermott, and (junior) Kim Rice took the singles titles while Courtney and Whitney Bobosky, and Jeanne Lambke and Robin Lewis won the doubles titles.

In the district competition, which the Redwings won with a total of 12 points, Kim Rice and Meg Sullivan filled the singles spots. The doubles teams of Mary McDermott/Robin Lewis and Courtney/Whitney Bobosky qualified for the state tournament finishing first and second respectively.

At the state meet in Arlington the Boboskys completed a total of three matches. McDermott and Kramer reached the final sixteen before bowing out to the eventual fourth place champion. They then proceeded to reach the quarterfinals of the consolation bracket, playing a total of seven rounds, a promising outlook for the years to come.

It was no mystery that the 1981 Varsity Volleyball team cut a path of devastation on its march to the District Championships. With five returning Varsity spikers, the team was quicker and more unified than ever. Besides beating perennial rival, Immaculate Conception, to clinch the West Suburban Catholic Conference, the Redwings, under Brooke Norman, knocked off such top-rated teams as Glenbard West and Lockport.

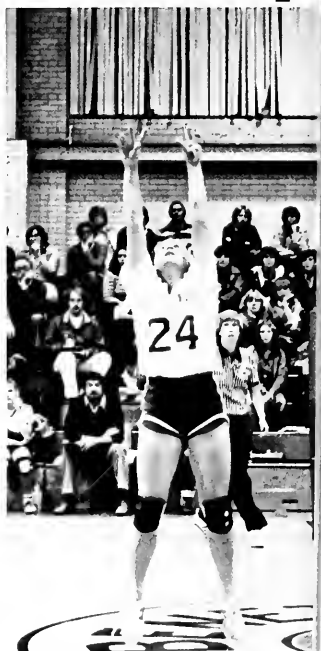

After falling to Downers Grove South in the first game of the sectionals, Benet retired with a 27-3 record. Without its two senior All-Conference players, Captain Mary Burelbach, and Co-Captain, Karen Sacchetti, the team looks to its younger players (including all-conference Carole Garrity and Betsy LaScala) to spark next year's squad to equal heights.

The 1981 Girls' Frosh-Soph volleyball team completed a spectacular season this year. The girls, coached by Miss Brooke Norman, had what it took in the form of setting and spiking ability to finish their season with a flawless record of 21 and 0. An exciting win over I.C. in the Redwings' final game was the zenith of the season, and made the girls conference champs. The team's will to win combined with the good coaching of Miss Norman was the key to their success. The girls and their coach have a lot to be proud of and a good foundation to build on for the future.

Golfers Advance to Sectionals

Under their new coach, Mr. Nagis, the 1981 Golf team had a spectacular season. Led by seniors Tim Berry, Joe Feldman, Dan Gallaher, and John Trimberger, the team drove to conference and district championships, falling 4 strokes short of the sectional championship. Individuals made excellent showings at these meets as Berry took 1st place in conference, Feldman 3rd, freshman

Dominic Camden 4th, and Trimberger 5th. At district, Gallaher, Camden and Berry placed 2nd, and 4th respectively. Home course for both varsity and frosh-soph team was Woodridge and frosh-soph completed a 5-1 conference season, placing 2nd in the conference meet. Standout frosh-soph players were Camden, Ed Wondrasek and Marty Mann.

Girls: A Building Season

Each day the 1981 Girls' Swim Team trudged over to the Illinois Benedictine College pool to practice for what resulted in a successful season. The team's coach, Mrs. Toni Baumgartner, found the year's members the strongest seen in years. Junior Beth Kelliher, a 50 yard freestyler, competed in the state meet and placed 16th out of the 40 girls in her event. The team accumulated a number of trophies, sending 11 girls to District competition, and since the team is fairly young, the potential next season seems limitless.

Boys' Swimming had its most successful season this year, finishing with a record of 9-5. Coached by Mr. Brad Baumgartner, Mr. John Lane, and Mrs. Baumgartner, the Redwings were led by senior co-captain Fred Zeski and Mike Ginnocchio. The team, which placed 2nd in the Shamrock relays, found strong freshman talent in Tom Swis, who set a new 100 meter breaststroke record. Mark Raschke, Jim Talano, and Rob Engles, while returning junior John Hackett captured both the 50M and 200M free records. Senior Brian McCarthy set both the 500 free record and 200 IM record. Other new record setters this season include the medley relay team of Weizerick, Walter Nachett, and Glimco, and in exhibition, the 400 free relay team of George Anderson, Mike Ginnocchio, Chuck Steele and Jay Shewart with a time of 3:11.69. Divers for this year's team were Vince Salano and Kevin Kilb.

Only the Beginning

Furthering the winning tradition, the Varsity Basketball Team once again took 1st place in the W.S.C.C. with a perfect record of 11-0 and an overall record of 26-3. Under the skillful direction of Mr. Bill Geist and assistants Mr. Joe Kilbride and Mr. Ken Leszczynski, the Redwings continued their conference winning streak of 74 games. The team took 3rd place in the Glenbard West Tournament and made it to the quarter finals of the Proviso West Tournament. By the Associates Press Poll, the Redwings were ranked fifteenth of the Class AA teams in the state of Illinois. According to Coach Geist, this year's schedule had been one of the toughest in the school's history.

In his thirteenth year of coaching, Bill Geist took his Redwings to Champaign after winding up a successful 1981-82 season with an Elite-Eight status. After winning both the regional and sectional tournaments, the team travelled to the DeKalb Supersectional to take on the Rockford Boylan Titans. Finishing their season with an overall record of 26-3, the Redwings conquered the Titans at Northern Illinois University's Assembly Hall 56-43.

Setting their sights on the Class AA State Tournament, the Redwings, followed by hundreds of fans, travelled to Champaign to take on tournament-favorite Quincy. In a Friday night quarter-final game, the Redwings proved their strength matching the Quincy Blue Devils. However, Quincy's talented players and a 63 game winning streak outlasted the Redwings, and they pulled ahead in the final quarter. The Redwings were defeated by Quincy 65-45. The team was greeted by faculty and students in a Monday morning pep-rally honoring their players for attaining the Elite-Eight status and for playing a wonderfully exciting season.

We turned out in droves for March Madness games, screaming "Moser! Moser!"; "Osh!"; "Collins! Collins! P.C."; "Juice!"; and "Big Mack Attack!" in honor of our starting five. Basketball fans crawled out of the woodwork and parents stood to see the games; their enthusiasm sparked our cries of "Defense! Defense!" During the regional final game against Naperville North, we perfected our new "Whoosh-Face!" as the Wings sank 21 perfect free throws. From there we cheered the team on to victories over West Aurora, Glenbard North, and Rockford Boylan as they earned their passage to the Elite-Eight and Assembly Hall. But we had known from the beginning — had shouted "Where're we goin'? State! State!" since Naperville Central. And finally we were there, surviving long bus rides and frantic searches for lodgings near Champaign, battling it out with the Quincy fans. Watching their disjointed attempts at "Whoosh," we nudged each other as if to say — now the originators are here — Here's how it's done! As fans we gave our all, as a team they gave their all. And then there was the last chant —

"We are proud of you, say, we are proud of you!"

Elite-Eight

In the second year of his coaching, Mr. Joe Kilbride led the Sophomore Basketball Team to an overall record of 19-2 and a conference record of 10-2, achieving a second place conference position in the process. This year's exciting season included such triumphs as first place in the Wheaton-Warrenville tournament and the defeat of Chicago Catholic League's previously undefeated St. Pat's. The team's post season will revolve around the Wheaton Central tournament where the Redwings are seeded first.

Competently directed by their first year coach, Mr. John Pfeiffer, this year's freshmen basketball team maintained a 17-4 record to hold first place in the West Suburban Catholic Conference. The team's four losses occurred when they succumbed to Mount Carmel, Fenwick and twice to WSCC rival IC. Led by such players as Tom Collins, Tom Mahoney, Doug LeFevre, Dominic Camden, and John Wattlelet, the team overcame the loss of guard Tim Gallaher in the Christmas tournament to complete their extremely successful season. Post season play for the frosh taggers consisted of their participation in various tournaments.

Several players were named to the All Conference Team, including juniors Judy Bray, Bridget Hylak, and Jane Sacchetti, while senior Laura Heroux was awarded an honorable mention. The team, consisting of two seniors, Laura Heroux and Bernadette O'Malley, 9 juniors and 2 sophomores based their playing ability on speed to compensate for their lack of height. The teams participated in the Handicap League and bowled every Friday after school. The competition continued into April.

Over Christmas vacation intramural basketball exploded into action. The thirty-three boys' teams and thirteen girls' teams played eight games. Each then participated in the play-offs. The faculty team challenged the all-star Jr./Sr. boys' team to close the season.

The agenda was further expanded to include co-ed volleyball, softball, girls' cross country and special one-day events including badminton and ping-pong.

Drama: Death of a Salesman

Living a life of dreams leads to Willy Loman's downfall in the drama *Death of a Salesman* written by the great contemporary playwright, Arthur Miller. The play follows the deterioration of Willy's "American Dream." Willy cannot cope with technological advances and therefore, he cannot cope with reality. His

warped perception of success is unfortunately passed onto his sons who suffer greatly.

This drama was performed by the Benet Thespians with expertise. Directed by Mr. Conley, the hard working cast put on a tremendous production.

(Above): In earlier days, Willy (Joe Dempsey) informs to his sons Biff (John Polifka) and Hap (Chris Lyons) of the importance of the football game. (Left): Happy (Chris Lyons) uses his charm on Miss Forsythe (Karen Overbey). (Below): Charley (Paul Carmignani) tries to explain to Willy that his working career is near an end. (Opposite Page Above): Willy's wife Linda (Beth DeSchryver) mourns at Willy's gravesight. (Upper Right): After telling Willy he's fired, Howard Wagner (Dean Skora) continues to work unbothered. (Right): Willy and the woman (Elena Reklaitis) share a happy moment together.

The comedy **The Man Who Came to Dinner**, written by George S. Kaufman and Moss Hart, revolves around the activities of the pompous Sheridan Whiteside. Mr. Whiteside unwillingly resides in the house of Mr. and Mrs. Stanley because of an unfortunate hip injury which he incurs while he forcibly visits the Stanley's for dinner. During his recovery, many of Mr. Whiteside's zany friends come to cheer him and they add much chaos to the Stanley household.

Despite the large cast under the direction of Mr. Conley for this year's fall production, the Drama Troupe had an enormous sense of camaraderie and encouragement. The fall production received rave reviews from students and families alike. With many new faces, the Drama Troupe is in for fresh talent, while veterans are still performing with their usual flare.

Left: Harriet Stanley (Fran Gadzala) brings Sheridan Whiteside (Chris Lyons) a gift and more from herself. **Below Left:** June (Jennie Brozi), in despair, tries to explain her love. **Below:** The cheery Dr. Bradley (Joe Dalpiaz) comes for his daily visit with Mr. Whiteside. **Below Right:** After being bitten by a penguin, Miss Preen (Andrea Markelz) collapses in fear. **Opposite Page Upper Left:** The story of old Crockfield simply stuns Bert (Chris Enksen). **Upper Right:** Beverley (Mark Susina) is horrified at the schemes of Sherry that Maggie (Elena Rekalitis) briefly explains. **Lower Left:** While Sheridan tells of the great cooks that he's known, Sarah (Linnæ Ellensohn) waits with another delicacy. **Lower Right:** As Mr. Stanley (Joe Reilly) complains about an enormous phone bill, his wife Daisy (Joan Bagley) sides with Sheridan.

The Man Who Came to Dinner

Drama Troupe Unleashes New Performers

The Student directed workshops were once again a tremendous success. Jim Siddall, Karen Overbey, Andrea Markelz and Mark Susina were the four senior directors who put forth great effort to turn out four wonderful plays. The evening was well balanced, as the performances included two dramas and two comedies. **Portrait of a Madonna** By Tennessee Williams; directed by Jim Siddall. This play told of an elderly woman who never stopped living in the past, yet the present doomed her. **Black Comedy** written by Peter Schaffer and directed by Karen

Overbey, was full of ridiculous situations placed in the dark (which actually represented the light) and vice-versa. **BirdBath** was written by Leonard Melfi and directed by Andrea Markelz. This told of the mental abuse of one young woman and a man desperately trying to help her. **Missing Link** was written by Jack Sharkey and directed by Mark Susina. **Missing Link** was placed in a suburban home and told of the story of middle aged woman suffering from a long lost love, who later returns to her surprise.

(Lower Right): Harold (Glenn Drover) is in a tizzy over his messy quarters. (Upper Left): I d Baxter (Mike Green) seems oblivious to his daughter Lindy's (Adrianne Krystansky) plea for help. (Center Left): Brindsley (Craig Racławski) denies his fooling around to his exgirlfriend Clea (Tracey Speaks). Photo Club

The Photo Club prepares and teaches newcomers the tricks of the trade including calculating proper exposure, preparing composition, learning the creative techniques of special effects. Under the guidance of Fr. Bob, the club will learn all the basics of photography. This year, the club will prepare someone to take over the positions of Yearbook photo editor and Herald photo editor.

The Benet Band this year has followed a true family tradition. As a whole, the group seems to break the barriers of distance and age between students often found in other activities. The band is filled with talented individuals, all acting as a unit.

A perfect example of unit performance is the Marching Band. This year, the Marching Redwings highlighted many local parades as well as parades in Waukegan and down State Street. One must also remember the commendable half-time shows presented at all home football games.

The Concert Band performed its traditional Christmas and Spring Concerts to packed houses. The 1812 Overture and Handel's Alleluia Chorus were featured numbers.

The Flag Corps' enrollment doubled this year. Many students who are not in band participate actively in this group.

As usual, the Pep Band kept feet tapping and Pom pons in swing at home basketball games.

The Stage Band, wearing tuxedos, performed their unique style of music at teachers dances and were featured at the Variety Show.

Most importantly, when one thinks of "Benet Band", the name Andrew Marchese comes immediately to mind. "Coach" is the "man behind the band." His ideas, musical interpretations, talent, patience and time make the Benet Redwing Band a true family unit.

Fresh New Style

This year the 1981-1982 football cheerleading squad began practicing over the summer to improve technique and gymnastic skills. With sharp new cheers and catchy sideline cheers, the girls spurred the Red-wings on to a successful season.

The varsity squad consisted of five seniors and four juniors. Co-captains Margie Smego and Marianne McCabe kept up the morale of the squad.

Under the guidance of a new moderator, Donna Baumgartner, the cheerleaders put forth time, effort, and energy into igniting spirit into the Benet fans.

Several cheerleaders join the band to sing the national anthem before the home crowd.

This year the varsity and frosh/soph cheerleading squads worked with new moderator, Donna Baumgartner to create a fresh, new style. Perfecting tumbling, cheers, and mounts the girls dazzled the basketball fans at every home game. Captains Patty Baumgartner and Julie Bien assisted in selecting new talent early in the year. Throughout the football season, the basketball cheerleaders strengthened their skills, preparing for the long winter season.

From the first pep rally to the last game of the basketball season, the 1981-82 Benet Avions display their enthusiasm and school spirit.

Their new moderator, Miss Mary Beth Hammond worked with co-captains Chris Phillippo and Clarice Gelhard to achieve perfection in the squad of 15 seniors, 7 juniors, and 5 sophomores. A new Fight Song routine was created, and practice was expanded to four times a week.

Members of the squad attended two camps this year. Over the summer at an NCA camp at ISU, eight of the girls joined to win two trophies, the Spirit Stick and the various ribbons.

Benet parent's clubs under moderator Br. Columban contribute much to the family atmosphere at the Academy. Through its efforts selling tickets at football and basketball games, working on the fund drive, and organizing the Father-Son Communion Breakfast, the Dad's Club, led by president Mr. Ray Veselik, takes interest in and improves campus activities. The Madonna Club performs a similar function under the direction of president Mrs. Romaine Burelbach, sponsoring the Homecoming Pep Rally and Bake Sale and the Mother-Daughter Communion Brunch and Fashion Show. The groups combine to plan activities such as the Parents and Friends Harvest Dance and meetings with guest speakers and Drama Troupe performances.

A Year of Changes

Once again, the **Benet Herald** has proven to be a reliable source of school information. Copy editors became a new addition to this year's staff. The purpose of these two new positions was to alleviate some of the editor-in-chief's and associate editor's extra work load. The staff successfully used new photo arrangements and copy layouts for the improvement of the paper's general appearance. Many new writers also contributed to the over all success of this year's paper.

The 1981-'82 editors of the **Benet Herald** were: Jocile Walsh, Editor-in-Chief; Kathleen O'Leary, Associate Editor; Brad Colby, News Editor; Vince Biskupic, Sports Editor; Patty Leonard, Feature Editor; Paula Mlsna and Lexie Hieber, Copy Editors; David Murphy, Photo Editor; and Joe Hantsch, Circulation Manager.

Once upon a time, not so long ago, in a deep, dark room, there lived a yearbook staff. There were six editors, several devoted staff workers, and one fearless moderator. Around each deadline, they locked themselves in this deep, dark room and worked far into the long, black nights to build a yearbook for the people in the nearby school. The staff printed pictures, drew up layouts, and wrote copy until they could do no more. Then along came the good witch of the Third Deadline, and she saw how hard the imprisoned staff worked. She waved her magical wand and opened the door at the end of the long, dark tunnel leading out of the deep, dark room. The happy staff skipped merrily through the halls. When they saw the light of day, they knew they were truly free, and lived happily ever after.

The executives of the German club, Mike Jakubiec, President, and Chris Kearns, Vice-President, worked with Herr Stral to plan various activities. A ski trip and a visit to a German restaurant in Elmhurst were part of the schedule. Since skiing is a favorite pastime of Germans, a showcase about the sport was presented.

The Spanish Club, open to all students presently enrolled in a Spanish class, greatly increased in number this past year. Spanish club officers: Marian Quinn President; Brad Colby, Vice-President; Kathy O'Leary, Secretary; and Lynn Dicky, Treasurer joined with Mrs. St. Blancard to plan activities for the year. The student visited Donel Hall in Chicago, to attend the International Folk Festival. The year was also highlighted by a "Spanish Mass."

This year's French Club added a tremendous number of members. The goal of the club was to enhance the ability of the students to speak the language, to emphasize the culture, and to partake in certain customs. This club was open to anyone presently enrolled in a French course. The President this year was Nazinin Tahmoorissi and the Secretary Treasurer Carol Berg. As a cultural adventure, the club attended the mime "Marseilles Marceau" in Aurora.

The Spanish Honor Society is students who have completed three years of Spanish with an A average and are entering their fourth year. Also, a student must have an accumulative B average in all other courses in order to be eligible to join the society.

Additional members were initiated into the S.H.S. in May of 1981. Mr. Alvarez organizes the society each year and the members vote for the President, Vice President, Treasurer and Secretary of their choice. This years officers included President, John Trimberger; Vice-President, Kathy O'Leary; the Treasurer, Lynne Dickey; and the Secretary, Marian Quinn.

The purpose of the society is to give recognition to those students who have worked hard to become competent in the Spanish language. The society planned many activities including a trip to Spanish-Mexican restaurants.

In the second year of the union of the Math and Science Clubs, several successful projects were undertaken. Under the leadership of Secretary Jenny Rissky, Vice-President Debbie Mazil, and President Tom LeCompte, and the apt moderation of Mr. Szorc, the club studied items of interest to the members.

One of the projects was a measurement of student reaction times under stress. Another was concerned with the physics of locomotives and airplanes. The club also prepared for the annual MAA mathematics exam. The year was one of the most memorable.

The Sacred Heart Service Club, organized by Sr. Regina, is an activity designed for sophomore girls who wish to give their time in service at the nearby convent. President Anne Barrett and Vice Presidents, Chris Lamb and Terri Simon organize cleaning, answering phones and visiting the elderly or infirm nuns. They also help the sisters celebrate holidays with special activities including Christmas caroling and baking cookies.

At the DuPage Convalescent Home, the servers operate bingo games and visit with the patients twice a month. The Servers Society is also affiliated with St. Procopius Parish of Chicago. On Halloween, the group traveled to Chicago to host a party for the children of the parish. At Christmas, the servers deliver presents to the needy members of St. Procopius in conjunction with the Christmas Drive. Also at Christmas, the servers minister to the older monks at the Abbey through caroling.

Council Moves Onward and Upward

The 1981-82 Student Council, under the leadership of President Marty D'Ambrose, went through several major changes in its structure.

Over the summer and during the first two meetings of the school year, nine amendments to the Council's By-Laws were passed. Under these changes, Chris Hurley, Vice-President, takes on the responsibilities of Cabinet Coordinator, formerly a separate position. The position of Supplies Coordinator, filled by Yvette Eber, was created for the purpose of keeping the S.G. office organized. Cabinet members are now responsible for appointing a committee secretary and for keeping a journal of decisions and actions relating to that committee's activities. The most controversial change occurred with the approval of a new system for the election of council officers. In the future, the President and Vice-President will be elected together on a ticket, with the Treasurer and Secretary being appointed to their positions on the basis of ability.

Working closely with Fr. Bob, council moderator, Chris and Marty have stressed the writing of reports and the keeping of journals as a means of recording information valuable to next year's committee chairpersons and officers. Treasurer Nancy Brachle has implemented a new procedure for making appropriations and Jeanne Lambke, Secretary, has been busy keeping track of weekly reports, minutes, and agendas, as well as supervising the typing of much miscellaneous information.

A different method of communication between the student body and student council was initiated this year. Through the use of a survey-type questionnaire, dealing with subjects ranging from sock hops to sports and cultural events, the Council

Secretary Jeanne Lamke, Vice-President Chris Hurley, President Marty D'Ambrose, Treasurer Nancy Brachle.

cil hopes to arrange for a variety of events that produce maximum student support and participation.

In order to further promote a spirit of unity and understanding within the W.S.C.C., a student exchange program was introduced. As part of the program, Benet students spend a day at one of the other schools in the W.S.C.C. and also guide visiting students from the other W.S.C.C. schools around Benet. Everyone involved in the exchange learns and understands considerably more about the other schools and the similarities they share with Benet.

Benet has moved upward in District and State Council organizations

through two very special people: Kelly Green and Jim Siddall. Jim ran for and won the Vice-Presidency of the Northeast District of the Illinois Association of Student Councils. As Vice-President, Jim is responsible for compiling the district's handbook and for organizing group discussion leaders for the upcoming N.E.D. convention in March.

Kelly Green, culminating a rise in rank from President of the N.E.D., became the first young lady from a private school to elected President of the Illinois Association of Student Councils, and the second Benet student in the past three years to hold this prestigious position.

Entering the nostalgic building and swinging through the characteristic doors of Hotel Baker one feels a sense of romanticism. Indeed Prom was a night of romance. Couples could sway to the delightful music performed by the Andrew Marchese Orchestra or Saunter through the picturesque

This year's Variety Show moderated by Fr. Bob, was entitled "Give My Regards to Broadway." Music was provided by the Andy Marchese Orchestra. The most memorable acts included: "Beatle-Mania," where numbers of students gathered on stage during the songs to dance; a dance number choreographed by Craig Rawlawski and Marianne McCabe entitled "Sing, Sing, Sing"; and a Senior parody on the "Sound of Music" including such well known numbers as "How do You Solve the Problems Here at Benet?"

“Roughing It”

It began with a 12 hour Sunday bus ride on the first day and a 15 mile trek across a lake on the next. This, at first, doesn't sound very appealing to many, but to some it was the Canadian canoe trip. After the group of 40 people left the trading post in Canada, civilization was sparse and the peacefulness slowly became a way of life. It rained almost every day but

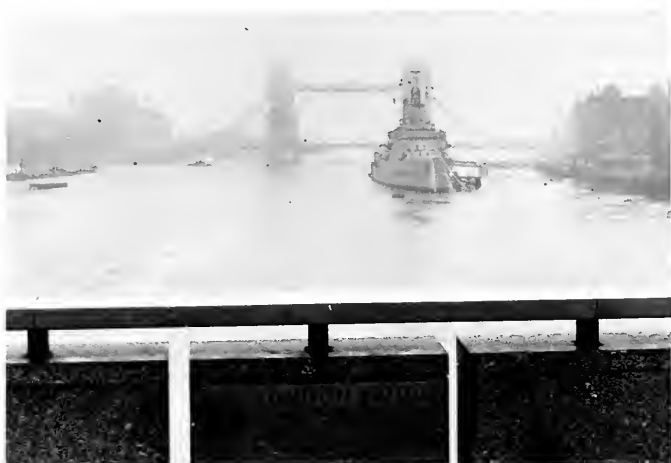

everyone got “used to being wet.” The group ate dehydrated food and the fish caught with bare hands. The mosquitoes became the mascots to the canoers. This may not sound like a vacation brochure, but to many the laziness in the afternoon and the quietness at night was a wonderful way to spend 11 days.

8 Days of "Promise?"

THE TIME:
Boxing Day and the subsequent week of 1981-82.

THE PLACE:
A YMCA not far from Soho

THE STORY:

The fugitives travelled far and wide in search of a Scots husband on a horse, looking in such conspicuous places as: the Tower (with keys) Windsor Castle, Hampton Court, the British Museum, the National Gallery, the Tube (London subway), telephone booths in the metropolitan area, Stokes Poges, Harrod's and the bottom of the fountain. Off limits areas opened for their convenience by the Union included 40 miles of passages in the walls of Canterbury Cathedral, a previously undiscovered Roman fort in a nearby Canterbury suburb, a chimney place in Hampton Court Palace, and an early morning walk to Soho. Their quest led them to the Borscht'n Tears restaurant, to a

tube race through London's extensive underground, and finally to fish'n chips and bar mirrors in Portobello Road. Unsuccessful in capturing their prize, they turned to collecting bounty for a certain history teacher, Daniel Nagis, (who shall remain nameless), for additional consideration. Charles Brummel was not forgotten either.

Suffering from jet lag, 23 faceless zombies stalked the halls of the sacred Academy within 24 hours of the end of their ordeal, armed with only their bounties and their stories.

Aloha!! Welcome to Benet Homecoming '81. Your exciting tour of the tropics was planned by chairpersons Cindy Rauckhorst and Nancy Brachle, under the direction of the Academy Travel Agency.

The first stop on this once-in-a-lifetime vacation is the annual powderpuff game. Here you can see senior women and junior girls and the "survival of the fittest" theory in action, while their "cheerleaders" outdo each other's versatility and spirit on the sidelines. Vince Biskupic will describe and interpret the coaches behavioral traits as the players end the game tied at 18. You may never see anything like this again.

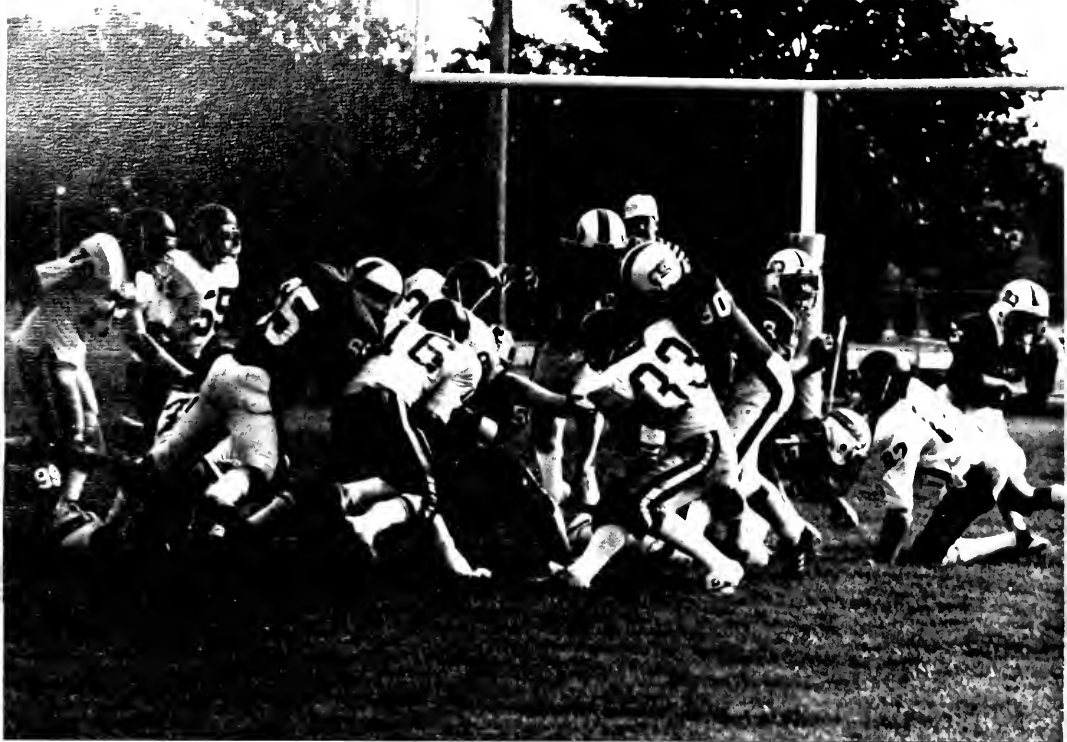

Your busy week in the south seas will begin as the native girls compete for the position of Queen. This quaint custom allows one freshman, sophomore, and junior girl to serve the Senior Queen, Margie Smego, and her attendants Julie Bien, Liz Duvic, Chris Hurley, and Ann Madden in their weeklong reign. Towards the middle of your week the natives will begin to get restless as they honor the wisest of their number on "They're Our Teachers" Day, and celebrate the arrival of the newest members of their family at "Big Sister, Little Sister."

Benet Catches the Fever

Your weekend with the natives includes their Friday Nite Pep Rally — Bazaar honoring Queen, court, football players, and their parents. Finalists in the local "mini pep rallies" compete for their classes also.

The week will culminate at the home football game against the Highlanders. Another custom of floats allows the jr/sr's to encourage the team to Surf to Victory, while the frosh/sophs urge "Give 'Em a Punch!" Victory is the theme of the day as the young men triumph 28-6.

An Added Bonus — You as a couple may be the lucky winners of "Two Tickets to Paradise," featuring Contagious.

You'll return remembering this trip for months to come. Aloha!!

\$5,800 For Charity

The Human Relations Committee, run by Senior Tom Marth, organized one of the most successful drives ever for the 1981 Christmas season. Assisted by an able group of sub-committee chairpersons, Tom planned a drive which brought in about \$5800 dollars through various activities such as mistletoe, donut day, and pie-in-the-face. During the week, two films on world hunger were shown in every study hall to inform students about the problem the drive attempts to relieve during Christmas each year. Students donated time after school to assemble mistletoe, wrap toys for the Christmas boxes, make stockings, and gave up the first day of their vacation to pack and deliver the gift boxes to needy families in and around Du Page County. As in past years, Br. Ed and a group of servers delivered boxes to St. Procopius Parish in Chicago. Families received ham or turkey, staples such as potatoes, bread, cereal and fruit, and extras such as hot chocolate and goodies from stockings.

Invaluable to the drive were the generous donations made by Benet Alumni and friends of the Academy.

Just as the doldrums of the second semester set in, Midterm sprinkled a touch of magic on all. On January 30 the gym was transfigured into a mystical castle for all couples who entered. These couples were entertained by Unity with music that ranged from fast-beat rock 'n' roll to slow, romantic ballads. The decoration of moons, stars, top hats and canes added to the "Midnight Madness" theme. With the magically dressed freshman serving at the dance, sophomores, juniors and seniors enjoyed the gala affair of the winter season.

Themes Add To Sockhops!

This year's Social Committee, under chairperson Angela Mattern, planned many sockhops throughout the year for student enjoyment. Angela's committee added the idea of giving the sockhops a theme. Students were invited to go punk or early 50's greasers to add to the fun of the evening. Live bands and records appeared at the sockhops which featured groups such as Rampage and Mr. K. Students who grew tired of dancing could play video games or have a can of pop in the cafeteria. In addition of their fine job of planning sockhops for students, the Social Committee planned a successful Turnabout Dance which took place on February 27.

Opposite Page: (Top): Marjorie Mulvenna and Karen Palmer enjoy going punk. (Lower Left): Kathy Galvin and Chris Wright take time to smile for the camera. (Lower Right): Laz Duvic and Dan Quinn "Keep their minds on dancing". (Upper Left): Ginger Rogers and John Borelbach dance up a storm at a sock hop. Class of '82

Our final year was of mixed emotions. We had the usual senior reactions — eager to move on to college or business life yet still reluctant to call ourselves adults.

This year we felt losses from within but found strength helping each other and have grown as a result. Senior year should be a year of changes; our experiences of 1981-82 have affected us more profoundly than any of us could have foreseen.

We've also had our moments of triumph. As our football team was the first in Benet's history to reach the sim-finals in state play-offs, we celebrated together. Volleyball was another source of pride for us, and basketball proved to be traditionally successful. This combination of the light hearted and the serious have made the class and the year 1982 unique. We will not be forgotten, and we will never forget.

The years are going by quicker than we thought, and as Juniors our half-way mark is established. Along with the many new decisions we have to make, we also have a lot of exciting activities to look forward to. There are still pressures of SAT and ACT, but Prom can also be anticipated. Once again, sports becomes an integral part of our daily high school life, but we now have a chance to compete on the varsity level. We are maturing into fine young adults and are appreciating what Benet can do for us.

Class of '84

Sophomores

As sophomores, we now no longer see Benet as a gigantic unfriendly building, but as a useful educational place. Our trips down Martin's Hall are not blind walks anymore but learned paths. We've discovered that the teachers are not just here to teach us but to become our friends. The students we've met are no longer only passers-by but our companions. Our whole outlook on Benet has gone from frightened and naive to secure and educated. We are looking forward to the rest of our years at Benet.

Class of '85

We Freshman, the class of '85 have begun our experience as Benet Students. Our first glimpse of Benet came at Frosh-Fest in late August. After the first few weeks when we no longer got lost in school, things began to look up. We lived through the axioms of Algebra, Freshman science and shrugged through our languages. The year was not all work, there was play, too. While upperclassmen were calm and collected at sock-hops, we freshmen were beginning to discover one another.

Mr. David M. Gotmer 1949-1982

Since brass, nor stone, nor earth, nor boundless sea;
But sad mortality o'er — sways their power,
How with this rage shall beauty hold a plea
Whose action is no stronger than a flower?
O, how shall summer's honey breath hold out
Against the wreckful seige of battering days,
When rocks impregnable are not so stout,
Nor gates of steel so strong, but Time decays?
O fearful meditation! where, alack,
Shall Time's best jewel from Time's chest lie hid?
Or what strong hand can hold his swift foot back?
Or who his spoil of beauty can forbid?
O'none, unless this miracle have might,
That in black ink my love may still shine bright.
